

Spring Development Drive Scholarships

Donations specified for the **Dick and Mary Lou Caldwell**, the **Fr. Leo Rooney**, the **Nick Kelly**, and the **Donna Brock Memorial Scholarship Funds** directly benefit students whose families are not able to afford the full tuition. Approximately one in ten students is aided financially by one of these scholarship programs. The need for financial assistance for members of our student body increases when families encounter income difficulties due to unemployment or job reduction. Your donations help them through these difficult times.

SJC Scholarship Funds

- ***The Dick and Mary Lou Caldwell Memorial Scholarship Fund*** was initiated in 2005 in honor of Dick, a dedicated and long-time parishioner, a major force in every area of parish and school life (including as an SJC dad and grandfather). The fund was renamed in 2013 to include his beloved wife, Mary Lou. This scholarship fund in their name ensures that their legacy of generosity and faithfulness is carried on for years to come.
- ***The Father Leo Rooney-St. Joseph Memorial Scholarship Fund*** was established in honor of our former pastor, Father Leo Rooney. The fund serves as a primary financial aid resource for families needing tuition assistance.
- ***The Nick Kelly Memorial Scholarship Fund*** was created in memory of a beloved sixth-grade student who died in February 2001. Each year, the interest from donations is used to fund a full tuition scholarship for a deserving student.
- ***The Donna Brock Memorial Scholarship Fund*** was established to honor the memory of Mrs. Donna Brock who served our parish as Director of Religious Education and our school as Advanced Math Teacher. She touched so many lives over the years and we honor her memory.
