

Wednesday Hot Lunch Annual Pass

The Annual Pass is a way to pay for your children's Wednesday Hot Lunch in advance so your children do not need to bring money every Wednesday. This is an optional program. So if you would rather pay weekly, that option still remains.

How does the Annual Pass work?

With the attached form below, you pay for the entire school year (27 weeks) of Wednesday Hot Lunches at \$4.00 per week, for a total of \$108 per student.

Here are some things for you to consider:

- There are no refunds for unused lunches.
- You may join at any time, but there will be no prorated rates if you join after September 2nd.
- If your child wants a double entrée, your child will pay the additional \$2 on the day he/she wants the double entrée.
- If your child does not like all the Wednesday Hot Lunch menu choices, you may prefer to pay weekly since there are no refunds. Scheduled menu is on the backside of this page.
- Classroom teachers will have a list of all Annual Pass participants.
- Passes are per student (not per family).
- This pass is only valid for the current school year, and only on the "pay on the day Wednesday Hot Lunch", not on Wednesdays that use the Pasta Market accounts like Wednesday minimum days.
- The Pay on the Day Wednesday Hot Lunch is subsidized by the Pasta Market and all Wednesday payments go directly to SJC. Any overage above the cost of expenses is a donation to the school.

Benefits to the parents:

- No more hunting for change Wednesday morning.
- No more writing weekly checks, or having to swing by the office.
- No more lost lunch money.
- Easy payment for families with more than one student.
