

Wednesday Hot Lunch Annual Pass

The Annual Pass is a way to pay for your children's Wednesday Hot Lunch in advance so your children do not need to bring money every Wednesday. This is an optional program. If you would rather pay weekly, that option still remains.

How does the Annual Pass work?

We've heard your concerns. New this year, we have split up the annual pass by menu items. If you want all 6 menu options, you pay for the entire school year (23 weeks) of Wednesday Hot Lunches at \$4.00 per week, for a total of \$92 per student. If you child only eats certain items, you can pay the annual rate for those foods (see below for details).

Here are some things for you to consider:

- There are no refunds for unused lunches.
- You may join at any time, but there will be no prorated rates if you join after Sept. 6th.
- If your child wants a double entrée, your child will pay the additional \$2 on the day he/she wants the double entrée.
- You can still elect to pay weekly since there are no refunds.
- Classroom teachers will have a list of all Annual Pass participants.
- Passes are per student (not per family).
- This pass is only valid for the current school year, and only on the "pay on the day Wednesday Hot Lunch", not on Wednesdays that use the Pasta Market accounts like Wednesday minimum days.
- FYI, the Pay on the Day Wednesday Hot Lunch is subsidized by the Pasta Market and all Wednesday payments go directly to SJC. Any overage above the cost of expenses is a donation to the school.

Benefits to the parents:

- No more hunting for change Wednesday morning.
- No more writing weekly checks, or having to swing by the office.
- No more lost lunch money.
- Easy payment for families with more than one student.

Confirmations will be sent home via paper or email.

If you need to inquire about a confirmation, please contact maryann.kimm@sjcschool.org
